Off Highway Vehicle Bylaw Discussion

R. Ennis lead Council through a review of the draft Off Highway Vehicle Bylaw 841-14.

A delegation from Lac Ste Anne arrived and Reeve P. Vos called for a break at 1:23 pm and the meeting resumed at 1:39 pm.

Joe Roos – would like stricter environmental standards included in the bylaw

Cliff Whitelock – does not want to see OHV on roadways; supports the development of trails; every plate should be visible on the machines; supports the bylaw as it is now; not against people riding OHV's but put them out in the green spaces

Mike Mueller – leave the bylaw the way it is right now because if it changes every time a fence is cut he will report it to show how the changes aren't working; supports the bylaw as it is now

Jason Kennedy – research how OHV usage is managed in other counties

Grace Mueller – leave the bylaw as it is

Albert and Tammy Orban – Joe Roos read a letter from the Orban's who could not attend the meeting, but who are opposed to the proposed amendments to the bylaw
