

Policy Name

Extension of Time – Presentation of Plan of Subdivision
(other instrument that effects the subdivision) to Brazeau County

Policy Number

PD - 10

Policy Statement

Council recognizes the requirements of the Municipal Government Act Statutes of Alberta, 1994, Chapter M-26.1, wherein an applicant for subdivision approval must submit to the County a plan of submission or other instrument effecting the subdivision within one (1) year of the dates as set out in Section 657(1)(a), (b), or (c). Provisions are set out in the Act for an extension of this date as directed by Council. The purpose of this policy is to set out the maximum number of extensions, which shall be granted to an applicant for submission approval.

Policy

The Planning, Development & Land Officer shall process requests for Extension of Time on subdivision approval as per policy.

The Planning, Development & Land Officer may extend the time in which an applicant for subdivision approval has in which to submit an instrument effecting subdivision to Brazeau County as prescribed in the Act from year to year for a maximum of two (2) years.
