

**Policy Name**

Policy for the Construction of Approaches to Oilfield Facilities from Municipal Road Allowances

**Policy Number**

PW - 2

**Policy Statement**

Brazeau County shall allow accesses to be constructed to wellsites and other industrial facilities from County road allowances under the following terms:

**Policy**

1. Brazeau County shall charge a non-refundable fee as per the Schedule of Fees Bylaw for all industrial approaches constructed from the Brazeau County road allowance to offset costs incurred by Brazeau County pertaining to inspection, etc.
2. The approach shall be constructed to Brazeau County standards
3. At the discretion of Brazeau County, the company or inherent company payment, as per the Schedule of Fees Bylaw, shall be responsible to remove the approach once the wellsite is no longer active and carry out all clean-up.
