

Policy Name

Soil Sampling Policy

Policy Number

AG – 9

Policy Statement

The Agricultural Service Board of Brazeau County recognizes the importance of soil sampling to assess soil fertility and proper fertilizer recommendations.

Policy

The Agricultural Services Division assists producers by providing a soil probe for soil sampling activities. At the discretion of Agricultural Services staff, samples may be taken for the producer at no cost. Laboratory analysis can be facilitated by Agricultural Services staff, and subsidization will be applied as per the Schedule of Fees Bylaw
